Make Up Policy

Any make-up tokens your child has accrued from June-August 2020 will never expire as long as your child remains enrolled at Prairie. They can be used toward classes (subject to availability) or open gyms when we are able to resume those activities.

Beginning September 1st:

- To qualify for a make-up token, you must call (630) 406-6803 or e-mail prairiegymoffice@gmail.com to cancel prior to missing a class. If a secretary is not available to answer your call, please leave a message.
- Only one make-up token will be awarded per month for each child enrolled.
- **The Illinois Department of Public Health (IDPH) currently advises against the mixing of groups so we are not scheduling any make-up classes at this time. Until those guidelines change, make-up tokens will not expire as long as your child is enrolled in the program.**
- Once we are able to begin hosting open gyms, make-up tokens accrued from September 2020 until the guidelines change may be redeemed for open gyms only.
- Make-up tokens can only be used while enrolled in a class at Prairie. Cancellation of your enrollment will lead to forfeiture of all unused make-up tokens not used prior to cancellation.

Fall Classes

Prairie Gymnastics Club uses a no contract, pay by the month registration system.

Reminders:

- Tuition is due on the 27th of each month for the upcoming month.
- Make sure your credit card on file is up to date to avoid a late fee or an interruption in your child's training.
- A 10 day written notice is required to withdraw from a class. Withdrawal request forms are available at the front desk or on our website.
- Please pick your child up at the Pick Up door to avoid having young children walk across the parking lot alone.
- If your child is showing **any** signs of illness (cough, runny nose, fever), he/she will be sent home. As you can imagine, it is very hard for our staff to tell a child they cannot do gymnastics that day so when in doubt, please keep them home.

Online Learning Tips

1. Limit distraction
2. Make space for learning
3. Maintain breaks such as snack time and recess
4. Allow them to interact with friends via video chats
5. Mix screen time with old school learning mediums. Print out any worksheets if possible.
6. Keep in touch with other parents
7. Don't underestimate the power of a schedule
8. Remember to schedule time for fun
