## What is Make a Difference Day?

Make a Difference Day was originally created in 1992 by USA WEEKEND magazine. Whether it is big or small, millions of people come together each year in a common mission to improve society.

Making a difference can come in many different forms. Here are some ways you can make a difference this year!

- Volunteer at a food bank, school, animal shelter, or homeless shelter
- Clean up a park
- Donate blood
- Shop local
- Make a donation to a charity
- Say a kind word of support to someone
- Put your skills to work. Sometimes our hobbies can bring joy to others in ways we least expect it!

National make a difference day is always the fourth Saturday in October!
